

## CACI FY2020

### CACI Inc. (Arlington, VA)

- worldwide acquisition, upgrade, and sustainment of base defense security systems; FA8730-20-D-0015; 3 Apr 2020
  - o contracting activity = AFLCMC Hanscom AFB, MA

### CACI Inc. - Federal (Chantilly, VA)

- support vehicle programmed depot maintenance at Albuquerque, NM; Greeley Air National Guard Station, CO; FA8723-19-D-0001; 2 Oct 2019
  - o SMC Peterson AFB, CO (FA8823-19-F-0013)
- the Automated Data Capture System (ADCS<sup>1</sup>) application and support services to U.S. Navy Fleet Readiness Centers at organization and depot level activities → work in Chantilly, VA (85%); Jacksonville, FL (10%); North Island, CA (3%); Cherry Point, NC (2%); 18 Nov 2019
  - o NAWCAD Patuxent River, MD (N00421-20-D-0005)
- build and test the Integrated Personnel & Pay System-Army; W15QKN-15-C-0049; 22 Nov 2019
  - o Army Contracting Command, NJ
- design, develop, validate system prototypes for a combined arms squad; paid for w DARPA funds; 9 Dec 2019
  - o Army Contracting Command, Aberdeen Proving Ground, MD (W912CG-20-C-0004)
- technical work, engineering services, quality assurance, process development, consulting and content management support to Portsmouth Naval Shipyard (PNS) departments, often interfacing with other PNS departments and other shipyards, submarine maintenance engineering, planning & procurement; Naval Sea Systems Command support will be in the areas of engineering, technical, planning, deficiency resolution and administration as outlined; 20 Mar 2020
  - o Portsmouth Naval Shipyard, Kittery, ME (N39040-20-F-3000)
- special operations communications systems, SATCOM and network support services: contract requires command, control, communications, computers, combat systems, ISR to exercise planning and evaluation, systems integration, operational systems, fielding, training, certification, maintenance, logistics, configuration management, systems engineering, network engineering, documentation and graphics support, program management, quality assurance and life-cycle sustainment management and support of deployable tactical SATCOM systems and military information, support operations (MISO are psychological operations, “psyop”), and equipment for joint warfighting customers at multiple locations global → Fayetteville, NC (65%); continental U.S. (20%); outside U.S. (10%); Tampa, FL (5%); N65236-20-D-8003; 24 Mar 2020
  - o Naval Information Warfare Center Atlantic, Charleston, SC
- IT services to help manage, operate, and maintain MSC business systems, as well as interface with the Navy Enterprise Defense Business Systems → work in Norfolk, VA; N32205-19-F-1044; 13 May 2020
  - o MSC Norfolk, VA
- 365-calendar day worldwide logistics re: sustainment logistics, corrective maintenance logistics system support, combat logistics force load management, material handling equipment, ordnance handling equipment support, and ordnance management; N32205-20-C-4008; 26 May 2020
  - o MSC Norfolk, VA
- maturation, demonstration, and proliferation of capability across platforms and domains, leveraging open systems design, modern software and algorithm development in order to enable Joint All Domain Command & Control (JADC2); FA8612-20-D-0001; 29 May 2020 (w many other corporations)
  - o AFLCMC Wright Patterson AFB, OH
- comptroller mission systems support in Chantilly and Arlington, VA; 12 Aug 2020
  - o DFAS Services Directorate, Columbus, OH (HQ0423-20-F-0099)

### CACI International / BIT Systems (Sterling, VA)

- engineering, program management and technical services to support the installation, integration and sustainment of counter unmanned aerial systems; includes modeling & simulation, hardware installation, software integration, verification testing, and integration trouble shooting support → Sterling, VA (34%); locations in the continental U.S (33%); overseas (33%); 17 Jan 2020
  - o NAWCAD Patuxent River, MD (N00421-20-D-0020)

---

<sup>1</sup> The ADCS application captures data and information associated with integrated maintenance concept inspection results for all Navy and Marine Corps aircraft as well as inspection and configuration management of applicable aircraft engines.

CACI National Security Solutions (Reston, VA)

- Special Operations Communications Systems Satellite Communications and Network Support Services in support of SOCOM and other joint warfighting commands → Charleston, SC; Tampa, FL; Fayetteville, NC; N65236-16-D-8011; 5 Dec 2019
  - o Naval Information Warfare Center, Charleston, SC
- Data Science, Operations, Requirements, Exploitation and Engineering (DORE2) services to support DIA Directorate for Science and Technology missions → work at contractor and government facilities in the National Capital Region through 2025; HHM402-20-D-0009; 2 Mar 2020 (w 6 others)
  - o This IDIQ multiple-award contract (called DORE2) has a combined ceiling of \$990,000,000
  - o Virginia Contracting Activity, D.C.
- travel and other direct cost; provides the Network Operations and Security Center (NOSC) information technology support services → work at NOSC facilities, Shaw AFB, SC; Lackland AFB, TX; and Reston, VA, with frequent travel Central Command; 26 Mar 2020
  - o HQ ACC, Acquisition Management & Integration Center, Joint Base Langley-Eustis, VA (FA4890-20-C-0003)

CACI NSS Inc. (Colorado Springs, CO)

- Consolidated Air Force Satellite Control Network (AFSCN) Modification, Maintenance, and Operations (CAMMO): continued operations and maintenance at AFSCN mission locations, AFSCN factory compatibility testing and phase-in sustainment activities for same systems → work at tracking stations: Diego Garcia; Guam; Ka'ena Point, HI; New Boston AFS, NH; Thule AB, Greenland; Vandenberg AFB, CA; Telemetry & Commanding Station, Bordon, Hants, U.K.; Eastern Vehicle Checkout Facility, Cape Canaveral AFS, FL; FA8823-16-C-000C; 25 Oct 2019
  - o SMC Peterson AFB, CO
