

## Leidos FY2020

### Leidos Inc. (Arlington, VA)

- high speed attack munitions research: the five-year contract will support R&D to explore the impacts of complex flight environments on weapons airframes → work at Eglin AFB, FL; FA8651-20-F-1011; issued 17 Jul 2020
  - o AFRL Eglin AFB, FL (FA8651-20-D-0011) = the contracting activity

### Leidos Inc. (Gaithersburg, MD)

- IT and telecommunication services at Joint Base Andrews, Joint Base Anacostia-Bolling, the Pentagon, National Military Command Center, and other Air Force organizations within the National Capital Region; FA7014-18-F-3042; 26 Dec 2019
  - o Air Force District of Washington Contracting Directorate, Joint Base Andrews, MD
- contractor logistics support for the Afghanistan Air Force and Special Mission Wing → work in Kabul, Afghanistan, and Gaithersburg, MD; W58RGZ-17-C-0058; 28 Feb 2020
  - o Army Contracting Command, Redstone Arsenal, AL
- enterprise-wide information management/IT services for U.S. Army Corps of Engineers' customers in Vicksburg, MS; W912DY-18-F-0153; 22 Apr 2020
  - o USACE Huntsville, AL
- continued contractor logistics support services in Afghanistan; W58RGZ-17-C-0058; 29 May 2020
  - o paid for using fiscal 2020 Afghanistan Security Forces funds
  - o Army Contracting Command, Redstone Arsenal, AL
- continued contractor logistics support on special mission wing Mi-17/PC-12 aircraft, Afghanistan; W58RGZ-17-C-0058; 31 Aug 2020
  - o paid for using fiscal 2020 Afghanistan Security Forces Fund funds
  - o Army Contracting Command Redstone Arsenal, AL

### Leidos Inc. (Reston, VA)

- prototype payload design and signal-chain processing risk reduction demonstration for Missile Defense Agency (MDA) Hypersonic & Ballistic Tracking Space Sensor Program; 29 Oct 2019
  - o This was an "other transaction agreement"; see <<https://ezgovopps.com/home/research/understanding-dod-other-transaction-authority-ota>> for details
  - o MDA Schriever AFB, CO (HQ0857-20-9-0002)
- support services at Aberdeen Proving Ground, Blue Grass Chemical Agent Destruction Pilot Plant, Pueblo Chemical Agent Destruction Pilot Plant, and the Anniston Field Office; W52P1J-18-C-0047; 26 Nov 2019
  - o Army Contracting Command, Rock Island Arsenal, IL
- Global Solutions Management – Operations (GSM-O) II, which provides services for operation, defense, and sustainment of DOD Information Network/Defense Information System Network → work mostly overseas; HC1028-18-R-0024; 10 Dec 2019
  - o Defense Information Technology Contracting Organization, Scott AFB, IL (HC1028-20-D-0001)
- FMS (Qatar, Saudi Arabia, UAE): General Electronic Test Station (GETS-1000) test equipment and test program set hardware & software, test equipment upgrades & repair parts; and services including test equipment installation, training, in-country technical assistance, and engineering services support → work in Huntsville, AL; 31 Dec 2019
  - o Army Contracting Command, Redstone Arsenal, AL (W31P4Q-20-C-0015)
- General Electronic Test Station test equipment, installation, test program set, hardware, software, upgrades, training, engineering services and repair parts → work in Huntsville, AL; 9 Jan 2020
  - o Army Contracting Command, Redstone Arsenal (W31P4Q-20-C-0016)
- services in support of the existing Night Eagle System, which works on counter-improvised explosive devices; 27 Jan 2020
  - o Army Contracting Command, Orlando, FL (W900KK-20-C-0021)
- Department of Navy (DoN) service management, integration and transport used on the Navy Marine Corps Intranet, the outside continental U.S. Naval Enterprise Network, and the Marine Corps Enterprise Network; N00039-20-D-0054; 5 Feb 2020
  - o provide DoN with base network services that are currently provided under the Next Generation Enterprise Networks contract such as electronic software delivery, end user core build, endpoint detection, logistics management, network operations, security operations, service desk, transport and virtualization services;
  - o the contracting activity (the Naval Information Warfare Systems Command of San Diego) awarded the contract on behalf of Navy's Program Executive Office for Enterprise Information Systems
- support the Unmanned Surface Vehicle Family of Systems; N00024-20-D-6337; big IDIQ w dozens of others issued 5 Feb 2020
  - o NAVSEA Washington Navy Yard, D.C.
- Class V munitions supply support for all ammunition stocks under 1st Sustainment Command (Theater) to U.S. government including, as required, coalition forces in Central Command → work in Kuwait City; W52P1J-18-C-0002; 25 Feb 2020
  - o Army Contracting Command, Rock Island Arsenal, IL
- scientific and technical services in support of various projects under the Biological Threat Reduction Program; HDTRA1-17-C-0019-P00021; 10 Mar 2020
  - o Defense Threat Reduction Agency, Cooperative Threat Reduction, Contracting Office, Fort Belvoir, VA
- materials and services to design, develop, fabricate, test, install, document and deliver prototypes for Undersea Warfare / Undersea Defensive systems → work at contractors' sites, minimally at gov locations; N66604-20-D-E004; 18 Mar 2020 (w 16 others incl BAH, L3, LM, NG, Raytheon)
  - o Naval Undersea Warfare Center Division Newport, Newport, RI
- architect & engineering services for USACE South Atlantic Division; W91278-20-D-0025; 6 Apr 2020 (w 6 others)
  - o USACE Mobile, AL

- translation, transcription and interpretation services for the Office of the Chief Prosecutor, Guantánamo Bay, Cuba; 28 Apr 2020
  - o WHS Arlington, VA (HQ0034-20-C-0073)
- a De Havilland Canada Dash 8 aircraft → majority of the work performed in Bridgewater, VA; H92238-20-C-0001; 28 May 2020
  - o USSOCOM, Tampa, FL
  - o **[the above two contracts form a notable juxtaposition: Leidos furnishes invasive aircraft designed to help roll up the alleged bad guys; Leidos furnishes people to staff Guantánamo, where bad guys held]**
- Integrated Services (GSA OASIS); this IDIQ contract “is also for a wide range of operational, analytical and management support services in support of the U.S. Marine Corps Central Command” → work in Tampa, FL (90%); Bahrain (10%); 11 June 2020
  - o Marine Corps Installations National Capital Region-Regional Contracting Office, Quantico, VA, (M00264-20-F-0227)
- Aircraft Maintenance Enterprise Solution -- a strategic sourcing vehicle for Air Force-wide contracted aircraft maintenance; provide all organizational-level maintenance services for all aircraft listed in each individual task order performance work statement, which can include any aircraft platform (excluding rotary wing, tiltrotor and remotely piloted aircraft); \$14B w 7 others; FA3002-20-D-0011; 22 Jul 2020
  - o Air Force Installation Contracting Center, Joint Base San Antonio-Randolph, TX (FA3002-19-R-A001)
- future efforts associated with the maturation and demonstration of technology across platforms and domains, leveraging open systems design, modern software, and algorithm development for Joint All Domain Command and Control (JADC2); FA8612-20-D-0035; \$950M w 17 other corporations; 1 July 2020
  - o AFLCMC Wright Patterson AFB, OH
- system operations and sustainment services and test & training services in support of the Saturn Arch Aerial Intelligence Systems Quick Reaction Capability Program → Reston, VA; Bridgewater, VA; Huntsville, AL; 14 July 2020, 5 Aug 2020
  - o Army Contracting Command, Redstone Arsenal, AL (W58RGZ-20-C-0024)
- ensure suitable time and ceiling are available to meet the requirements of the Automated Installation Entry system; 27 July 2020
  - o Army Contracting Command, Aberdeen Proving Ground, MD (W911QY-15-D-0047)
- architect & engineering services to support the USACE South Atlantic Division; W91278-20-D-0041 through -0055; 4 Aug 2020
  - o USACE, Mobile, AL
- develop Adaptive Radar Countermeasure Software/Firmware and integrate them in AN/ALQ-214A electronic countermeasures for use on F/A-18C-F aircraft → Arlington, VA (50%); Clifton, NJ (25%); Goleta, CA (10%); St. Louis, MO (10%); Raleigh, NC (3%); Huntsville, AL (2%); N00019-19-C-0051; 27 Aug 2020
  - o NAVAIR, Patuxent River, MD
- R&D support services for the Operational Readiness Directorate at the Naval Health Research Center, San Diego, CA → San Diego, CA (80%), but may include additional work locations in Bridgeport, CA (1%); Camp Pendleton, CA (1%); La Posta, CA (1%); Twenty-nine Palms, CA (1%); Groton, CT (1%); D.C. (1%); Orlando, FL (1%); St. Petersburg, FL (1%); Pearl Harbor, HI (1%); Baltimore, MD (1%); Bethesda, MD (1%); Boston, MA (1%); Minneapolis, MN (1%); Camp Lejeune, NC (1%); Fort Bragg, NC (1%); Arlington, VA (1%); Norfolk, VA (1%); Quantico, VA (1%); Fort Lewis, WA (1%); Keyport, WA (1%); 14 Sep 2020 (later said to be awarded on 10 Sep)
  - o Naval Medical Logistics Command, Fort Detrick, MD (N62645-20-D-5020)
- R&D support for Behavioral Epidemiology Assessment Research at the Naval Health Research Center, San Diego, CA; 14 Sep 2020
  - o Naval Medical Logistics Command, Fort Detrick, MD (N62645-20-F-0286)
- research support services to the chief science executive and the Research Services Directorate at the Naval Health Research Center, San Diego, CA: technical & programmatic support tasks on various Navy/Marine Corps projects and contractor assistance in program execution; 16 Sep 2020 (later said to be awarded 14 Sep)
  - o Naval Medical Logistics Command, Fort Detrick, MD (N62645-20-F-0263)
- R&D: Database Optimization Sustainment program to advance Compact Automatic Target Recognition & Sustainable Environment technology foundation for air & ground target identification systems → Reston, VA, and Wright-Patterson AFB, OH; 28 Sep 2020
  - o Air Force Materiel Command, AFRL, Wright-Patterson, AFB, OH (FA8650-20-C-1143)

*Leidos acquired Dynetics in late January 2020. Leidos then folded Dynetics into Leidos’ Innovation Center, which is Leidos’ go-to unit for work with IARPA and DARPA.*

#### Dynetics Inc. (Huntsville, AL)

- support services for DIA’s Missile & Space Intelligence Center, Redstone Arsenal, Huntsville, AL; HHM402-19-D-0023; 1 Nov 2019, 5 Nov 2019
  - o Virginia Contracting Activity, Washington, D.C.
- hardware-in-the-loop simulators for Guided Weapons Evaluation Facility Radio Frequency Modernization and Air Force Research Lab Kinetic Kill Vehicle Hardware-in-the-loop Simulator system upgrades; joint multi-platform advanced combat identification development; calibration sets integration, and software updates; Air Defense Artillery Phased Technology Digital Command Link, and “immediate need” technologies to support DOD ranges → work in Huntsville, AL, and other DOD locations; 31 Jan 2020
  - o Air Force Test Center, Eglin AFB, FL, FA2487-20-D-0071; first delivery order FA2487-20-F-0072
- production, test, and delivery of Laboratory Intelligence Validated Emulator Virtual Constructive test systems, and sustainment of those systems for Electronic Warfare & Avionics Integration Support Facility, Robins AFB, and other DOD units; 28 May 2020
  - o AFLCMC Robins AFB, GA (FA8523-20-D-0004)
