

## SAIC FY2020

SAIC acquired Engility in January 2019.

### SAIC (Andover, MA)

- services supporting Space & Missile Systems Center Development Corps Innovation & Prototype Operations at Kirtland AFB, NM: engineering, development, integration, and sustainment services supporting the current Ground System Enterprise through its evolution, including transition to and buildout of Enterprise Ground Services → work at Kirtland AFB, NM; and Schriever AFB, CO; 7 Feb 2020
  - o contracting activity = Space & Missile Systems Center, Kirtland AFB, NM (FA8818-20-D-0009)
- systems engineering analysis, test and evaluation engineering, interoperability testing & analysis, threat analysis, and tactics development for AN/ALQ-99 Next Generation jammer pod, USQ-113 communications system jammer, ALQ-218 receiver, ALQ-227 communication countermeasures set, and Intrepid Tiger Pod for EA-6B and EA-18G aircraft → Point Mugu, CA (90.6%); China Lake, CA (1.9%); Fallon, NV (1.6%); Whidbey Island, WA (0.94%); D.C. (0.94%); Laurel, MD (0.63%); Irvine, CA (0.31%); Las Vegas, NV (0.31%); locations outside continental U.S. (1.3%); some foreign military sales (FMS); N68936-19-F-0297; 5 Mar 2020
  - o NAVAIR Weapons Division, Point Mugu, CA
- engineering, technical and programmatic support services for the development of electronic attack and electronic warfare products within the Airborne Electronic Attack Integrated Program across the U.S., but mostly at Point Mugu, CA; N68936-19-F-0307, 13 Mar 2020; N68936-19-F-0379, 12 June 2020
  - o NAVAIR Weapons Division, Point Mugu, CA

### SAIC (Fairfield, NJ)

- facilities maintenance, repair, and operations items in the Northeast U.S.; 3 Jan 2020
  - o DLA Troop Support, Philadelphia, PA (SPE8E3-20-D-0004)
- facilities maintenance, repair and operations items in Southwest U.S.; 18 Feb 2020
  - o DLA Troop Support, Philadelphia, PA (SPE8E3-20-D-0007)
- facilities maintenance, repair and operations items → work in AR, CO, KS, NM, OK, NJ; 6 Apr 2020
  - o DLA Troop Support, Philadelphia, PA (SPE8E3-20-D-0010)
- full loop antennas; 28 Sep 2020
  - o DLA, Land and Maritime, Aberdeen Proving Ground, MD (SPRBL1-20-D-0061)

### SAIC (Reston, VA)

- Missile Encryption Electronic Device KL-90 units, full rate production: units, spare parts, engineering support, data and training for relevant U.S. missile sites → work in Tampa, FL; 30 Dec 2019
  - o AFLCMC, Cryptologic & Cyber Systems Division, Joint Base San Antonio-Lackland, TX (FA8307-20-D-0001)
- IT support in Pyeongtaek, South Korea; 23 Jan 2020
  - o 411th Contracting Support Brigade, Seoul, South Korea (W91QVN-20-F-0157)
- care, training, and maintenance & operation of marine mammals, Navy Marine Mammal Program → gov facilities in San Diego, CA (53%); Naval Submarine Base Kings Bay, GA (24%); Naval Base Kitsap, WA (23%); 27 Jan 2020
  - o Naval Information Warfare Center Pacific, San Diego, CA (N66001-20-C-3416)
- support, including project management, administration, drafting, technical integration, testing, maintenance, engineering, logistics, facilities, and security for software & hardware of C4ISR systems and networks → work in Guam, Japan, USA (HI, CA, NV, WA, OK), South Korea, Singapore, Philippines, Australia, Bahrain, Djibouti, Italy; N66001-20-D-3421; 29 Jan 2020 (w 8 others)
  - o Naval Information Warfare Center Pacific, San Diego, CA
- support the Unmanned Surface Vehicle systems; N00024-20-D-6349; 5 Feb 2020
  - o NAVSEA Washington Navy Yard, D.C.
- Force Protection Systems (FPS) Integrated Base Defense Operation Inherent Resolve System Engineering, FPS Counter Vehicle-Borne Improvised Explosive Device (C-VBIED) Systems Engineering, Close Combat Weapon System FMS engineering and analysis, and FPS Combat Outpost Surveillance Force Protection System (COSFPS) System Engineering → work in Afghanistan, Iraq, and Redstone Arsenal, AL; W31P4Q-18-A-0011; 21 Feb 2020
  - o Army Contracting Command, Redstone Arsenal, AL
- materials and services to design, develop, fabricate, test, install, document and deliver rapid prototypes for Undersea Warfare/Undersea Defensive Family of Systems → work at contractors' sites, minimally at government locations; N66604-20-D-E013; 18 Mar 2020 (w 16 others including BAH, L3, NG, LM, Raytheon)
  - o Naval Undersea Warfare Center Division Newport, Newport, RI
- support NAWCAD: Lot I = full rate production of mission system avionics; Lot II = full rate production of other aircraft components, production and installation of modification kits; Lot III = full rate production of other aircraft

- components, production and installation of modification kits; N00421-20-D-0089/00098; 15 Apr 2020 (\$7/14 billion contract with other corporations)
    - NAWCAD Patuxent River, MD
- live virtual constructive modeling & simulation support to U.S. Army Central at Shaw AFB, SC; W31P4Q-18-A-0011; 7 May 2020
  - Army Contracting Command, Redstone Arsenal, AL
- converged infrastructure engineering support: technical modeling support, containerized weapon system mission data analysis, and engineering support; implementation support; and precision fires manager engineering and analysis at Shaw AFB, SC; W31P4Q-18-A-0011; 5 June 2020
  - Army Contracting Command, Redstone Arsenal, AL
- software engineering services to the U.S. Military Surface Deployment & Distribution Command: requirements definition, software maintenance, development, configuration management, area manager support, training, implementation, documentation, technical support, and project management at Scott AFB, IL; HTC711-20-F-D061; 18 June 2020
  - TRANSCOM Directorate of Acquisition, Scott AFB, IL
- work on Joint All Domain Command & Control (JADC2): efforts associated with maturation, demonstration, and proliferation of capability across platforms and domains, leveraging open systems design, software, and algorithm development; FA8612-20-D-0043; \$950M w 17 other corporations; 1 July 2020
  - AFLCMC Wright Patterson AFB, OH
- MK 48 Mod 7 Heavyweight torpedo production program to supply equipment and support for U.S. Navy (93 %), Australia (6%), and Taiwan (1%) → work in Bedford, IN (50%); Marion, MA (29%); Middletown, RI (16%); Indianapolis, IN (5%); N00024-16-C-6425; 14 Aug 2020
  - NAVSEA D.C. (N00024-16-C-6425)
- IT services in Huntsville, AL, and Corpus Christi, TX; 31 Aug 2020
  - Army Contracting Command Redstone Arsenal, AL (W9124P-20-F-0397)
- technical training of shipboard communication and network systems for the Water Front Training Delivery Program for the Center for Information Warfare Training, Pensacola, FL → Pensacola, FL (52%); San Diego, CA (22%); Virginia Beach, VA (19%); Groton, CT (7%); 9 Sep 2020
  - NAVSUP Fleet Logistics Center, Norfolk, Contracting Department, Philadelphia, PA (N00189-20-D-Z032)
- converged infrastructure engineering support for operational intelligence at Fort Belvoir, VA; W31P4Q-18-A-0011; 11 Sep 2020
  - Army Contracting Command, Redstone Arsenal, AL
- design, develop, fabricate, test, install, analyze, document, and deliver prototypes re: payload launch/retrieval systems, payload stowage/handling equipment, and payload integration systems; hatches, trunks and closures equipment; payload encapsulation systems; simulators and electronic equipment; and cables, coatings and materials → work at corporate sites (70%); govt sites (15%); shipyards, Navy bases and platforms (15%); N66604-20-D-K006; 30 Sep 2020 (7 corporations including SAIC)
  - Naval Undersea Warfare Center Division, Newport, RI
