

## Special Operations Command (SOCOM) FY2021

### Altus Technology Solutions LLC (Hanover, MD)

- operations, maintenance, and support at Melrose Air Force Range; contract # FA4855-21-C-0013; issued 1 Jul 2021 via 27th Special Operations Contracting Squadron, Cannon AFB, NM

### American Rheinmetall Munition Inc. (Stafford, VA)

- different types of grenades for SOCOM; “inert and cutaway of the production units will be used for demonstration and teaching purposes” → work in Trittau, Germany; N00164-21-D-JR77; 5 Mar 2021

### Arcticom LLC, a subsidiary of Bering Straits Alaskan Native Corporation (Anchorage, AK)

- contractor-provided non-personal services for Basic Underwater Demolition/SEAL (BUD/S) training support; work inside and outside the U.S. and may continue through fiscal 2025; H92240-21-D-0002; 9 Oct 2020

### BC Customs LLC (Clearfield, UT)

- Search & Rescue Tactical Vehicle (SKTV) – Side by Vehicle (SXV), training, and accessories; FA8629-21-D-5000; 19 May 2021 (later corrected to be awarded 25 May)

### Boeing (Ridley Park, PA)

- long-lead components and parts for MH-47G Chinook Block II production program; W91215-16-G-0001; 14 Jun 2021

### Boeing Insitu (Bingen, WA)

- support services (engineering, testing, prototyping, software modeling and simulation, integration, installation, analysis, sustainment, program management, training, cybersecurity, and other technical services) for drones (MQ-27A, MQ-27B, and RQ-21) for the Naval Special Warfare forces; N0042121D0020; 26 Mar 2021

### CACI (Chantilly, VA)

- geospatial analysts for SOCOM in Fayetteville, NC; Newport News, VA; Alexandria, VA; and other locations in the U.S. and overseas; H92402-21-C-0005; 1 Apr 2021

### Collaboration.Ai LLC (Minneapolis, MN)

- facilitate AFWERX Challenges using its Augmented Human/Community Performance Platform to conduct market research for the High Speed Vertical Takeoff and Landing aircraft concept; H92408-21-D-0002; 26 Mar 2021

### Dillon Aero Inc. (Scottsdale, AZ)

- parts to sustain fielded MK44 MOD 3 gun weapon systems; N0001920C0031; 31 Mar 2021

### L3Harris (Clifton, NJ)

- Suite of Integrated Radio Frequency Countermeasures program: modules and parts; H92241-20-D-0001; 20 May 2021

### L3Wescam USA (Santa Rosa, CA)

- Improved Rotary-wing Electro-optical/Infra-red Sensor (IRES) program for SOCOM; H92241-21-D-0001; 21 May 2021

### Mayvin Inc. (Annandale, VA)

- support research, development and acquisition of military weapons, materiel and life cycle sustainment “in support of the highest priority operators” within SOCOM; W911QY-21-D-0023; 7 Jun 2021

### MCP Computer Products (San Marcos, CA)

- computer peripherals (Dell laptops, desktops, docks, towers, and accessories) as lifecycle replacements in support of SOCOM → work at the Dell Federal Facility in Nashville, TN; H92239-21-F-0139; 28 Sep 2021

### NISGAA TEK LLC (Chantilly, VA)

- hardware & software (for 2021 Remote Piloted Aircraft Special Operations Center second quarter buy) to be “consumed in the creation of an end-product deliverable” → Warner Robins AFB, GA; FA8689-20-C-2011; 1 Jun 2021

### Oak Grove Technologies LLC (Raleigh, NC)

- six months of Army Special Operations Forces role-player services at Fort Bragg, NC; sole source via FAR 6-302-2 (Unusual and Compelling Urgency); H92239-21-C-0004; 1 Sep 2021

Raptor Training Services LLC (Oviedo, FL) *Oviedo is just northeast of Orlando.*

- Special Operations Forces requirements analysis, prototyping, training, operations and rehearsal support services; W900KK-21-C-0031; 24 Sep 2021

Raytheon (McKinney, TX)

- production & delivery of the Silent Knight Radar in McKinney, TX, and Forest, MS; H92408-21-C-0001; 1 Dec 2020
- Next-Generation Special Mission Processors (NextGen SMP<sup>1</sup>) for SOCOM; H92408-21-D-0001; 10 Dec 2020
- lifecycle contractor services in support of the AN/ZSQ-2 Forward Looking Infra-red (FLIR) and Electro-Optical Sensor System (EOSS)<sup>2</sup>; H92241-16-D-0006; 23 Apr 2021

Raytheon (Cedar Rapids, IA)

- life-cycle contractor support and hardware for the Common Avionics Architecture System, Cockpit Management System, Airborne Mission Network, Secure Real Time Video & Aircraft Management Systems; H92241-17-D-0004; 29 Jan 2021

Reservoir International LLC (Fayetteville, NC)

- training support services for Army Special Operations Forces (John F. Kennedy Special Warfare Center and 1st Special Warfare Training Group) near Camp MacKall, NC; H92239-21-D-0001; 16 Feb 2021

Sierra Nevada Corp. (Centennial, CO)

- Integrated Tactical Mission Systems engineering and integration support, which aims for “a system-of-system aircraft computer interface allowing multiple, contrasting systems to better communicate for more synchronized system feedback”; H92408-21-D-0004; 24 Sep 2021

Systema Technologies Inc. (Kirkland, WA)

- Precision Strike Capability products and services in support of integration, test, training, and operational efforts for SOCOM and units through SOCOM Detachment-1 → Kirkland, WA; FA8656-21-D-0001; 30 Apr 2021

Technology Service Corp. a.k.a. TSC (Arlington, VA)

- Long Endurance Aircraft program: aircraft, turrets and spare parts “to support an increased multi-intelligence capability”; H92408-19-D-0001; 8 Feb 2021, 24 Aug 2021

Trofholtz Technologies Inc. (Rocklin, CA)

- Integrated Electronic Security System services for Naval Special Warfare Command; H92240-21-D-0001; 20 Oct 2020

Tunista Services LLC (Honolulu, HI)

- continue operations, maintenance, and support at Melrose Air Force Range, NM; FA4855-18-C-0001; 18 Nov 2020 via 27th Special Operations Contracting Squadron, Cannon AFB, NM

intelligence, surveillance and reconnaissance (ISR) related equipment and related incidental development and/or other services in the categories: system integration, hardware and modifications, specialized communications, and networks and signal processing; 16 Oct 2020 via SOCOM Tampa, FL

- Barbaricum LLC, D.C. (H92401-21-D-0001);
- iGov Technologies Inc., Reston, VA (H92401-21-D-0002);
- NexTech Solutions LLC, Orange Park, FL (H92401-21-D-0003);

fifth generation Special Operations Equipment (SOE) Tailored Logistics Support (TLS) program; includes total logistics support for the special operational equipment requirements of DLA customers to include military installations, federal agencies, and other authorized DLA customers located worldwide → work in VA, MD, MA, IL; SPE8EJ-18-R-0001; 5 Jan 2021 via DLA Troop Support, Philadelphia, PA

- Atlantic Diving Supply Inc., d.b.a. ADS, Virginia Beach, VA (SPE8EJ-21-D-0020);
- Federal Resources Supply Co., Stevensville, MD (SPE8EJ-21-D-0021);
- Noble Supply Co., Inc., Rockland, MA (SPE8EJ-21-D-0022);

---

<sup>1</sup> NextGen SMP enables “tactical mission systems to integrate with AC/MC-130J aircraft controls and provide future software capabilities.”

<sup>2</sup> AN/ZSQ-2 FLIR and EOSS are currently installed on MH-47 and MH-60 helicopters assigned to 160th Special Operations Aviation Regiment (Airborne) based in Fort Campbell, KY.

- SupplyCore Inc., Rockford, IL (SPE8EJ-21-D-0023);
- Tactical Survival Specialties Inc., Harrisonburg, VA (SPE8EJ-21-D-0024);
- W.S. Darley & Co., Itasca, IL (SPE8EJ-21-D-0025);

design, engineering, fabrication, and testing of prototype components and systems for special operations vehicles; 21 Jul 20210 via Naval Surface Warfare Center, Crane Division, Crane, IN

- Cintel Inc., Huntsville, AL (N0016421DJW54);
- Cornerstone Research Group Inc., Miamisburg, OH (N0016421DJW55);
- Globe Tech LLC, Plymouth, MI (N0016421DJW56);
- GS Engineering, Houghton, TN (N0016421DJW57);
- Hendrick Motorsports Performance Group LLC, Charlotte, NC (N0016421DJW58);
- Integrity Defense Services Inc., Springville, IN (N0016421DJW59);
- Loc Performance Products Inc., Plymouth, MI (N0016421DJW67);
- Mainstream Engineering Corp., Rockledge, FL (N0016421DJW60);
- Military Systems Group Inc., Nashville, TN (N0016421DJW61);
- MSI Defense Solutions LLC, Mooresville, NC (N0016421DJW62);
- NV Automotive Test Center, Silver Springs, NV (N0016421DJW63);
- Pratt and Miller Engineering and Fabrication, New Hudson, MI (N0016421DJW68);
- RCR Manufacturing Solutions LLC, Welcome, NC (N0016421DJW64);
- TM1 Motorsports Inc., Santa Ana, CA (N0016421DJW65);
- Valor Fleet Inc., Evansville, IN (N0016421DJW66);

military freefall and static line support servicing for Naval Special Warfare Command in various U.S. locations; 23 Aug 2021 via SOCOM, MacDill AFB, FL

- ARNE Aviation LLC, Suffolk, VA (H92240-21-D-0023);
- Construction Helicopter Inc., Howell, MI (H92240-21-D-0024);
- Erickson Inc., Portland, OR (H92240-21-D-0025);
- Paraclete Aviation, Raeford, NC (H92240-21-D-0026);
- Rampart Aviation LLC, Colorado Springs, CO (H92240-21-D-0027);
- Marana Tactical Flight LLC, Marana, AZ (H92240-21-D-0028);
- Win-Win Aviation Inc., DeKalb, IL (H92240-21-D-0029);

### Construction

Daniels & Daniels Construction Co. (Goldsboro, NC)

- build the Marine Raider Regiment Headquarters, Camp Lejeune, NC; N40085-19-R-9148; 18 Dec 2020

EG Designbuild LLC (Germantown, MD)

- build a watercraft maintenance facility at Naval Air Station Key West, FL, for Army SF underwater operations school; N69450-19-D-0919; 15 Jan 2021

Epsilon Systems Solutions Inc. (Portsmouth, VA)

- hyperbaric systems (including recompression chamber facilities, driver training facilities, dive lockers) for the Navy, worldwide; first task order is for hyperbaric facilities at Seal Delivery Vehicle Team 1, Pearl City, Hawai'i; N39430-21-D-2232; 22 Sep 2021

J.E. Dunn Construction Co. (Kansas City, KS)

- build the SOCOM North Theater Operations Support Facility at Peterson AFB, Colorado Springs, CO; W9128F-21-C-0019; 27 Apr 2021

Manhattan Construction Co. (Arlington, VA)

- SOCOM Training Support Facility, Humphreys Engineer Center, Alexandria, VA; W912DR-21-C-0056; 30 Sep 2021

Walsh Federal LLC (Chicago, IL)

- construct a Special Operations Forces operations facility, Fort Bragg, NC; W912PM-21-C-0008; 20 May 2021
