

Intelligence FY2021

Assured Information Security Inc. (Rome, NY)

- Signals Intelligence Tactical Analysis & Reporting Gateway (STARGATE) prototype software: R&D to “enable expanded integration with enterprise tools and information systems, development of capabilities for automatically cataloging and managing an inventory of the global radio frequency emitter and communications network environment, and expanding integration of datasets from additional multi-national and multi-agency ISR platforms and sensors and integration of STARGATE Exploitation Tools into these platforms”; FA8750-21-C-1508; 7 May 2021 via AFRL, Rome, NY

Black River System Co. (Utica, NY)

- Cognitive Algorithms for Signals Intelligence Contested & Degraded Environments (CASCADE) software and hardware prototype: research innovative techniques and algorithms that provide the identification, collection, processing, and exploitation of electronic communication signals in a moderate to dense co-channel environment; includes evaluation of technologies within the Open Architecture Technology Laboratory to validate the viability of developed capabilities for transition into Air Force ISR; also develop hardware & software prototypes at Rome Research Site and Stockbridge Experimentation & Test Facility for open-air calibration and testing to assess SIGINT and cyber systems & techniques; FA8750-21-C-1505; 3 Jun 2021 via AFRL, Rome, NY

Booz Allen Hamilton (McLean, VA)

- For full details, see separate *Big 12 mid-Atlantic* doc
- administering critical functions of the National Language Services Corps, a major activity of the National Security Education Program; H98210-18-F-0062; 11 Mar 2021 via Defense Human Resources Activity, Alexandria, VA

The Buffalo Group LLC (Reston, VA)

- Department of the Army Intelligence Information Services intelligence operations support at Fort Belvoir, VA; W50NH9-21-C-0002; 28 Jan 2021 via Army Contracting Command, Detroit Arsenal, MI
- biometric and identity intelligence analytical support, Charlottesville & Quantico, VA; Fort Bragg, NC; Bethesda, MD; W50NH9-21-C-0012; 21 Jun 2021 via Army Contracting Command, Detroit Arsenal, MI

CACI Technologies LLC (Chantilly, VA)

- all-source and technical intelligence analytical support in Charlottesville & Arlington, VA; Tampa & Miami, FL; Huntsville, AL; San Diego, CA; Fort Bragg, NC; Colorado Springs, CO; W50NH9-21-C-0008; 28 Jun 2021 via Army Contracting Command, Detroit Arsenal, MI

Capital Center for Credibility Assessment Corp. (Dublin, VA)

- Counterintelligence Scope Polygraph examinations throughout the U.S. for Naval Criminal Investigative Service’s Polygraph Services Field Office; N00189-21-D-Z010; 6 Nov 2020

Carahsoft Technology Corp. (Reston, VA)

- work on Joint All Domain Command & Control (JADC2); 4 Nov 2020 (with 23 other corporations, including Elbit Fort Worth, HP, Microsoft, Peraton, and Sierra Nevada Corp.; FA8612-21-D-0076 through -0100)
- a one-time license buy for SAP software; W52P1J-21-F-0042; 23 Nov 2020
- technology integration: “an innovative methodology to mature technology solutions to prepare them to scale for the Air Force” → work in Reston, VA; and Austin, TX; FA8684-21-C-B002; 2 Jul 2021

Compass Systems Inc. (Lexington Park, MD)

- threat drivers and requirements analysis, prototype development and experimentation, engineering support, modeling and simulation analysis, rapid prototyping to include fabrication, integration, lifecycle logistics support and forward deployed operations in support of C5ISR technology advancement to enhance communications techniques with operational mapping and network intelligence technology → Lexington Park, MD (38%); Yuma, AZ (20%); Tampa, FL (13%); Johnstown, PA (10%); Braggs, OK (10%); San Diego, CA (6%); Virginia Beach, VA (3%); N00019-19-G-0029; 17 Jun 2021 via NAVAIR, Patuxent River, MD

Leidos (Reston, VA)

- see *Big 12 mid-Atlantic* doc for Saturn Arch and IT work within Office of Naval Intelligence

Maxar Mission Solutions (Ypsilanti, MI)

- Red Wing multi-domain processing exploitation & dissemination: an automated cloud environment for geospatial intelligence analysts, reducing latency for product generation, exploitation, and intel gathering; FA8750-21-C-1523; 29 Sep 2021 via AFRL, Rome, NY

Intelligence FY2021

The MIL Corp. (Bowie, MD)

- systems engineering services for assigned Global Radio Frequency Intelligence Networks related technologies and systems in support of NAWCAD Webster Outlying Field Integrated Command, Control & Intel Division, Saint Inigoes, MD; N00421-21-D-0010; 14 Jan 2021

Mission Essential LLC (New Albany, OH)

- linguist services in support of U.S. Africa Command; W50NH9-20-C-0008; 11 Dec 2020 via Army Contracting Command, Detroit Arsenal, MI

Mobius Consulting LLC (Alexandria, VA)

- ongoing Intelligence and Counter-Insider Threat advisory & assistance services in the National Capital Region; Dahlgren, VA; Huntsville, AL; Colorado Springs, CO; and other locations as directed; HQ0858-21-C-0013; 22 Jun 2021 via MDA, Huntsville, AL

NewBridge Partners Inc. (Herndon, VA)

- geospatial intelligence (GEOINT) software and computing architecture assessment, Fort Belvoir, VA: investigation, design, assess, and coordination for various GEOINT space and network architectures to provide more timely and relevant products to military and other users; FA8750-21-C-1515; 13 Aug 2021 via AFRL Wright-Patterson AFB, OH

The Institute of International Education (New York, NY)

- administration of the David L. Boren Scholarships, Fellowships, and the Language Flagship institutional awards; H98210-21-C-0002; 30 Mar 2021 via Defense Human Resources Activity, Alexandria, VA

Pelatron Technologies LLC (Lindon, UT)

- IT services: unclassified (NIPR) and secret (SIPR) services (including support work for the service desk, system administration, information assurance and protection, client services, asset management, networking, messaging and directory services and server support) at Hill AFB, UT; FA8201-21-D-0003; 19 Jul 2021

Radiant Mission Solutions Inc. (Chantilly, VA)

- support services in gathering, analyzing and manipulating geospatial intelligence information using signature analyst and predictive analysis tools and technologies; W56KGU-21-C-0005; 4 Mar 2021

SAIC (Reston, VA)

- laboratory operations and support for Defense Intelligence Agency, Huntsville, AL; HHM402-21-D-0149; 19 Apr 2021 via Virginia Contracting Activity, Huntsville, AL

Scientific Research Corp. (Atlanta, GA)

- Intelligence, Surveillance, and Reconnaissance (ISR) operational numbered Air Forces Support (for the 16th Air Force/Component Commander and Joint Force Air Component Commander): deliver timely and relevant intel data / products; "enable critical support functions in all major work centers of the operations center" and further enable the 16th Air Force/Component Commander to exercise command & control authorities and cryptologic element roles → most work at Joint Base San Antonio—Lackland, TX; FA7037-21-D-0001; 4 Feb 2021

Skyline Software Systems Inc. (Herndon, VA)

- renewal of commercial-off-the-shelf node-locked site license for TerraExplorer Pro with Command & Control / Mission Planning and TerraBuilder 3D Geospatial Viewing and Analysis software; W56JSR-21-D-0010; 30 Aug 2021

Telos Corp. (Ashburn, VA)

- XACTA Information Assurance Manager (XIAM) support services: assessment & authorization of sensitive compartmented information (SCI) intelligence, surveillance and reconnaissance (ISR) networks and weapons platforms → most work out of Joint Base San Antonio-Lackland, TX; FA7037-21-F-0049; 26 Jul 2021

Threat Tec - Yorktown Systems Group JV (Hampton, VA)

- support services for the U.S. Army Training & Doctrine Command (TRADCO) Intelligence Operational Environment, Fort Eustis, VA; W91150-20-C-0007; 27 May 2021 via Army Field Directorate Office, Fort Eustis, VA

Intelligence FY2021

technical documentation, technical reports, software, and hardware: R&D, enhancement, and integration of technologies to develop digital signal processing that can scan through the Radio Frequency spectrum to detect high priority-emissions; also R&D and integrate technologies that will collect, detect, exploit, and geo-locate emerging signals of interest to collection platforms → work in Rome, NY; 16 Jul 2021 via AFRL Rome, NY

- Black River Systems Inc., Utica, NY (FA8750-21-D-1001),
- North Point Defense Inc., Rome, NY (FA8750-21-D-1002);
- Geon Technologies LLC, Columbia, MD (FA8750-21-D-1003);

Defense Counterintelligence & Security Agency (DCSA)

Dinè Development Corp. IT Services (Scottsdale, AZ)

- DCSA Background Investigation System Enterprises (BIES) Program Management Office for Technical Support Services (Distributed and Mainframe); HS0021-21-C-0006; 17 Sep 2021

Dynanet Corp. (Elkridge, MD)

- operations and enhancement services to support the DCSA Program Executive Office's applications systems development → work in DCSA's Theodore Roosevelt Building in D.C.; and facilities in Macon, GA, and Boyers, PA; and remote work; HS0021-20-F-00028; 12 May 2021

Global Connections to Employment (Pensacola, FL)

- sustainment support (includes Mirador) to DCSA Vetting Risk Operations Center; HS0021-21-C-0004; 30 Jul 2021

iWorks Corp. (Reston, VA)

- vetting personnel for access, preserving the adjudicative decision, and identifying & mitigating insider threat risk for DCSA in and around Fort Meade, MD; HS0021-21-C-0002; 11 Dec 2020

Perspecta Enterprise Solutions LLC (Chantilly, VA)

- ongoing development & operation of DCSA security enterprise architecture and data analytics prototype; pertains to major components of a comprehensive IT system for managing all background investigations and security clearance adjudications for federal employees and contractors → work within the National Capital Region surrounding Fort Meade, MD; other transaction agreement HS002-1219-0001; 14 May 2021

Salient Federal – SGIS (McLean, VA)

- production support to DCSA Program Executive Office's case processing applications [formerly done for the Office of Personnel Management]; HS0021-20-F-00023; 2 Apr 2021

Soliel LLC (Vienna, VA)

- National Bureau of Investigation Service (NBIS) Development, Deployment and Sustainment (DD&S-II); HC108421C0005; 2 Aug 2021 via Defense Information Technology Contracting Organization, Scott AFB, IL

Verato, Inc. (McLean, VA)

- one year of single employment credit record background investigation for DCSA; HS0021-21-F-0002; 19 Feb 2021
- tri-merge credit reports and credit monitoring services as part of DCSA background investigations; task order HS0021-19-A-0005; HS0021-21-F-0012; 12 Apr 2021

Defense Intelligence Agency (DIA)

facility renovations and repair requirements for Defense Intelligence Agency defense attaché offices in U.S. diplomatic facilities worldwide; 15 Oct 2020 via U.S. Army Corps of Engineers, Omaha, NE

- Amentum, Germantown, MD (W9128F-21-D-0005);
- Construction Outfitters International Inc., Boerne, TX (W9128F-21-D-0001);
- Fluor Federal Services, Reston, VA (W9128F-21-D-0002);
- Greenway Enterprises Inc., Helena, MT (W9128F-21-D-0004);
- Weston Solutions Inc., West Chester, PA (W9128F-21-D-0003);

COLSA Corp. (Huntsville, AL)

- scientific computing operations, analysis, and applications support to DIA in Redstone Arsenal, AL; HHM402-21-D-0151; 27 Aug 2021 via Virginia Contracting Activity, D.C.

Intelligence FY2021

Jones Lang LaSalle Americas Inc. (Chicago, IL)

- products and services for DIA; HHM402-21-A-0002; 21 Jan 2021 via Virginia Contracting Activity, D.C.

Solutions for Information Technology Enterprise (SITE III) vehicle [combined ceiling value of \$12.6 billion] to address the “evolving needs vital to the security of the U.S. and facilitates worldwide coverage for integrated information technology intelligence requirements and technical support services to the Defense Intelligence Agency and National Geospatial-Intelligence Agency” → work at contractor and government facilities in the continental U.S. and overseas; 2 Mar 2021 via Virginia Contracting Activity, D.C.

- 1CyberForce LLC, Herndon, VA (HHM402-21-D-0040);
- 22nd Century Technologies Inc., McLean, VA (HHM402-21-D-0003);
- Accenture Federal Services LLC, Arlington, VA (HHM402-21-D-0004);
- Actionable Solutions Group, Springfield, VA (HHM402-21-D-0041);
- Aderas Inc., Reston, VA (HHM402-21-D-0042);
- Advanced Systems Development Inc., Falls Church, VA (HHM402-21-D-0005);
- AEEC, Reston VA (HHM402-21-D-0043);
- Agile Defense Inc., Reston, VA (HHM402-21-D-0006);
- Alpha Omega Integration LLC, Vienna, VA (HHM402-21-D-0044);
- AnaVation LLC, Chantilly, VA (HHM402-21-D-0045);

Construction

Clark Construction Group (Bethesda, MD)

- build the first and seventh floors of East Campus Building 2 at Fort Meade, MD; W912DR-16-C-0013; 29 Dec 2020

Grunley Construction Co. (Rockville, MD)

- design and construction of a new access-control facility at Fort Meade; W912DR-21-C-0016; 24 Aug 2021

McCarthy HITT of St. Louis, MO

- wiring and cabling for networked electronic special systems; W912DQ-19-C-7001; 3 Sep 2021 via USACE, Kansas City, MO
- see <https://mccarthyhittnga.com/team/>

Southwind Construction Services LLC (Edmond, OK)

- design-build of an electrical substation on the National Geospatial-Intelligence Agency's Arnold Campus in Arnold, MO; W912DQ-21-C-7003; 24 Sep 2021 via USACE, Kansas City, MO
