

Ordnance FY2021

For the largest corporations involved in ordnance (e.g., Boeing in St. Louis, General Dynamics in St. Petersburg, Lockheed Martin in Orlando, Raytheon in Tucson), see the Big 12 regional documents.

BAE Systems Ordnance Systems (Kingsport, TN)

- see separate BAE Systems doc

The Bionetics Corp. (Yorktown, VA)

- material kits and logistics services for depot repair and warehouse operations for the [Raytheon] MK57 NATO Sea Sparrow Surface Missile System at Navy Munitions Command Atlantic; contract # N63394-21-D-0005; issued 21 Sep 2021 via Naval Surface Warfare Center Port Hueneme Division, Port Hueneme, CA

Chugach Technical Solutions LLC (Anchorage, AK)

- support services for the Project Manager for Towed Artillery Systems; W15QKN-21-D-0015; 18 Mar 2021 via Army Contracting Command, Newark, NJ

Ensign-Bickford Aerospace & Defense Co. (Simsbury, CT)

- M19, M21 and M23 blasting cap assemblies; W15QKN-21-D-0013; 25 Feb 2021 via Army Contracting Command, Newark, NJ
- blasting caps; W15QKN-21-D-0041; 26 Jul 2021 via Army Contracting Command, Newark, NJ

Loc Performance Products LLC (Plymouth, MI)

- armored cab modification kits and spare parts kits for Multiple Launch Rocket System M270A2; W15QKN-18-C-0073; 28 Apr 2021 via Army Contracting Command, Redstone Arsenal, AL

Mnemonics Inc. (Melbourne, FL)

- the Receiver Radio Firing Device, Nonelectric Blasting Cap Actuating M17A1 and the Trainer, Receiver, Radio Firing Device, Nonexplosive M85A1; W15QKN-21-D-0012; 10 Feb 2021 via Army Contracting Command, Newark, NJ

Pollock Research & Design Inc. (Reading, PA)

- continued crane maintenance for U.S. Army Military Surface Deployment & Distribution Command: ship-to-shore and rail mounted gantry cranes at the Military Ocean Terminal Sunny Point, Southport, NC; the Military Ocean Terminal Concord, Concord, CA; and Naval Magazine Indian Island, Port Hadlock, WA; HTC711-19-CR001; 8 Jan 2021 via TRANSCOM, Directorate of Acquisition, Scott AFB, IL

Systems Studies & Simulation Inc. (Huntsville, AL)

- technical support services for the Precision Fires Rocket and Missile Systems Project Office; some FMS (Romania and Poland); W31P4Q-09-A-0019; 30 Mar 2021 via Army Contracting Command, Redstone Arsenal, AL

manufacturing & refurbishing for munitions material handling equipment (MMHE); 25 May 2021 via AFLCMC, Eglin AFB, FL

- Accurate Machine & Tool Corp., Madison, AL (FA2487-21-D0008);
- Greene Machine & Manufacturing Inc., Macon, GA (FA2487-21-D-0018);
- Willerding Acquisition Corp., O'Fallon, MO (FA2487-21-D-0038);
- Zitec Inc., Niceville, FL (FA2487-21-D-0028);

manufacture of MK-82 guided missile director sub-assemblies → work in Saco, ME (46.4%); Baltimore, MD (29.2%); Cincinnati, OH (24.4%); N0001918C1048; 23 Sep 2021 via Naval Surface Warfare Center, Crane, IN

- General Dynamics OTS Inc., Williston, VT (N0016421DWP64);
- Danko Arlington Inc., Baltimore, MD (N0016421DWP91);
- General Tool Co., Cincinnati, OH (N0016421DWP92);

Day & Zimmerman

American Ordnance LLC (subsidiary of Day & Zimmerman) Middletown, IA

- Family of Extrudable C-4 items; W52P1J-21-D-0035; 13 May 2021 via Army Contracting Command, Rock Island Arsenal, IL
- M795 TNT, Middletown, IA; W52P1J-20-C-0035; 30 Jul 2021 via Army Contracting Command, Rock Island Arsenal, IL

Day & Zimmermann Lone Star LLC (Texarkana, TX)

- hand grenade and fuze-consolidation items; W52P1J-21-D-0031; 28 Jul 2021 via Army Contracting Command, Rock Island Arsenal, IL

SOC LLC (Hawthorne, NV) *owned by Day & Zimmermann*

- continued operation and maintenance of Hawthorne Army Depot, NV; W52P1J-11-D-0002; 20 Aug 2021 via Army Contracting Command, Rock Island Arsenal, IL

Construction related to ordnance production

Brasfield & Gorrie (Birmingham, AL)

- build a 7.5-MW generation plant, Anniston, AL; W91278-21-C-0024; 21 Jun 2021 via USACE, Mobile, AL

EMR Inc. (Niceville, FL)

- a munition storage area utilities project at Barksdale AFB, LA; civil work includes replacement of the water distribution mains within the munitions storage area, while electrical work includes replacement of existing underground primary conductors (with the exception of the underground emergency circuit); N69450-21-F-1409; 20 Nov 2020 via NAVFAC, Southeast, Jacksonville, FL

Harper Construction Co. (San Diego, CA)

- design and build of a radiographic building at NAWS China Lake, Ridgecrest, CA; facility provides inspection and radiological evaluation of energetics, energetic components, and all up ordnance in support of the Navy Ordnance Test and Evaluation Division; task order N6247321F4741; 20 May 2021 via NAVFAC, Southwest, San Diego, CA

Hensel Phelps Construction Co. (Honolulu, HI)

- design & build a combined explosive ordnance disposal compound at Marine Corps Base Guam; task order N6274221F9929; contract N62742-19-D-1332; 21 Apr 2021 via NAVFAC Pacific, Joint Base Pearl Harbor-Hickam

Reyes Construction Inc. (Pomona, CA)

- construct ordnance magazines and an inert storage facility at Naval Air Weapons Station China Lake, CA; task order N6247320F4582; 22 Mar 2021 via NAVFAC, China Lake, CA
- design and construct missile magazines at Naval Weapons Station, Seal Beach: four missile magazines including access driveways and apron areas; task order N6247321F5105; 12 Aug 2021 via NAVFAC Southwest, San Diego, CA

Sauer, Inc. (Jacksonville, FL)

- construction at Navy Munitions Command, Naval Weapons Station Yorktown, VA: ordnance magazines; site improvements include access roads, truck loading & unloading areas, exterior lighting; N40085-21-C-0028; 25 Mar 2021 via NAVFAC Mid-Atlantic, Norfolk, VA

SOLPAC Construction Inc., d.b.a. Soltex Pacific Construction Co. (San Diego, CA)

- design and repair the thermal dynamic testing facility (T-Range) complex at Naval Air Weapons Station China Lake, Ridgecrest, CA; task order N6247321F5153; 29 Jul 2021 via NAVFAC Southwest, San Diego, CA

Teya Enterprises LLC (Anchorage, AK)

- engineering design, project management, quality management, and configuration management support re: China Lake land-based ordnance operations; N6893621D0025; 14 Jun 2021 via Naval Air Warfare Center Weapons Division, Point Mugu, CA

Thompson Builders Corp. (Novato, CA)

- topside repairs to the existing T1 Railroad Bridge and the replacement of multiple existing rail curves on the tidal side of Concord Naval Weapons Station, CA; W91238-21-C-0037; 30 Sep 2021 via USACE, Sacramento, CA

The Whiting-Turner Contracting Co. (Baltimore, MD)

- design and build cast propellant mix facility, warhead casing operations facility, and motor assembly compound in support of the China Lake Propulsion Laboratory; task order N6247321F4727; 16 Sep 2021 via NAVFAC Southwest
