

Largest U.S. War Corporations FY2021 _ Midwest

Ohio

Boeing (Newark, OH)

- repair the Minuteman III ICBM (nuclear missile) guidance set; FA821421D0003; 17 Sep 2021 via Air Force Nuclear Weapons Center, Hill AFB, UT

General Electric Aviation Systems (Vandalia, OH)

Vandalia is just north of Dayton.

- generator converter units for F/A-18E/F and E/A-18G aircraft for the Navy; N0001918C0004; 15 Jul 2021

General Electric (Cincinnati, OH)

- FMS (Bahrain, Egypt, Israel, South Korea, Saudi Arabia): engineering and technical services on engines for Air National Guard and FMS → work in those countries and Cincinnati, OH; FA8604-21-D-8004; 21 Dec 2020
- Next Generation Propulsion Enablers Technology Development: develop three technologies to improve gas turbine propulsion: 1) fan aerodynamics to increase stall margin, improve operability and allow engines to be designed to higher pressure ratios with better transient characteristics; 2) fuel system to enhance engine cycle efficiency, reduce uncertainty margins and provide improved thermal management capability; 3) high temperature sensing to enable temperature measurements in hotter sections of the engine to reduce uncertainty, improve efficiency and durability; 30 Dec 2020 via Office of Naval Research, Arlington, VA (N00014-21-C-1002)
- LM2500 Single Shank Turbine High Pressure Turbine kits and three LM2500 Paired Blade Turbine HPT kits; N64498-21-F-4070; 26 Feb 2021

L3Harris Fuzing & Ordnance Systems (Cincinnati, OH)

- multi-option fuzes for mortars and point detonating/delay fuzes; W15QKN-17-C-0024; 30 Dec 2020
- M734A1 multi-option fuze for mortars and M783 point detonating/delay fuzes; W15QKN-17-C-0024; 26 Feb 2021

Michigan

BAE Systems (Sterling Heights, MI)

- *BAE Systems makes land vehicles, including amphibious combat vehicles, in Sterling Heights, Michigan. See separate BAE Systems FY2021 document for more information.*

L3Harris Combat Propulsion Systems (Muskegon, MI)

- HMPT 800HP transmissions and ancillary hardware; some FY2021 overseas contingency operations funds; W56HZV-20-C-0124; 30 Dec 2020
 - o Army Contracting Command Detroit Arsenal, MI

General Dynamics Land Systems (Sterling Heights, MI)

- *In Sterling Heights, General Dynamics makes wheeled and tracked military vehicles, including the Abrams tank. See land vehicle doc for more information.*

Indiana

L3Harris (Fort Wayne, IN)

- on-orbit prototype demonstration, culminating with launch and early orbit testing for MDA's Hypersonic and Ballistic Tracking Space Sensor program; HQ0857-20-9-0001; 14 Jan 2021 via MDA, Schriever AFB

Honeywell International (South Bend, IN)

- manufacture 4 parts associated with wheels and brakes used on F/A-18 aircraft; N00383-21-D-YA01; 17 Nov 2020

Raytheon (Fort Wayne, IN)

- Airborne Warning and Control System (AWACS) Combat Identification (CID) Alpha Phase One: upgrade the current AWACS System "to meet evolving threat capabilities and to address diminishing manufacturing sources material shortages issues with the currently fielded AWACS System"; FA8730-20-C-0016; 9 Nov 2020

Largest U.S. War Corporations FY2021 _ Midwest

Raytheon (Indianapolis, IN)

- updates to Bell-Boeing CV-22 Osprey mission planning system, supporting the suite of radio frequency countermeasures; also provides defect package problem reports for V-22 software support activity; N00019-15-G-0003; 22 Feb 2021
- repair APG-65/73 radar systems for F/A-18 aircraft; N00383-21-F-N700 N00383-18-G-N701; 22 Mar 2021
- consumable electronic components for USA and FMS; with Raytheon of Fairdale, KY; SPE7MX-21-D-0058; 7 Apr 2021
- software engineering and testing, avionics integration and testing, and avionics acquisition support (to include classified and unclassified laboratories, configuration and data management and release of avionics software products and related systems) re: V-22 Software Support Activity systems; N00421-19-F-0531; 21 Jun 2021
- LAU-115 D/A (415) and LAU-116 B/A (308) guided missile launchers to enable F/A-18 aircraft to carry & launch AIM-120 and AIM-9X missiles; N0001921D0021; 29 Sep 2021

Wisconsin

Oshkosh Defense LLC (Oshkosh, WI) *Oshkosh Defense isn't a massive war corporation, but it is the biggest in Wisconsin.*

- Oshkosh Defense makes a variety of military vehicles in Wisconsin, including the Joint Light Tactical Vehicle and M983A4 Heavy Expanded Mobility Tactical Trucks. See *land vehicle* doc for more information.

Illinois

General Dynamics OST (Marion, IL)

- engineering development, manufacturing, design and testing support that is interoperable with 20 mm, 25 mm, 30 mm x 113 mm, 30 mm x 173 mm, and 50 mm weapon systems; W15QKN-21-D-0024; 30 Mar 2021

Northrop Grumman (Rolling Meadows, IL)

- engineering to upgrade the current large aircraft infrared countermeasures system processor replacement and expand growth capability for AN/AAQ-24 system for U.S. Navy and the Air Force; N00019-15-G-0026; 16 Nov 2020
- Advanced Threat Warning (ATW) processors for US Navy; SPRPA1-21-F-KF01; 30 Nov 2020
- Weapon Replaceable Assemblies (WRA) hardware, systems engineering technical support, analysis and studies to integrate the Navy's Large Aircraft Infrared Countermeasures system onto aircraft for USA (Navy, Air Force) and Australia (\$2,495,290) → work in Rolling Meadows, IL (34%); Goleta, CA (30%); Longmont, CO (11%); Columbia, MD (3%); various locations outside the continental U.S. (22%); N00019-19-C-0011; 10 Mar 2021
- WRA and AN/APR-39D(V)2 support equipment hardware (includes 27 processors, 108 antenna detectors, 82 radar receivers, 27 low band arrays, 16 battery handle assemblies, and 28 circuit card assemblies) and engineering, management, and logistics support to fabricate, assemble, test, and deliver AN/APR-39D(V)2 hardware for USA and FMS (\$998,496) → work in Rolling Meadows, IL (45%); Lansdale, PA (13%); Menlo Park, CA (13%); within continental U.S. (10%); Woburn, MA (9%); Lewisburg, TN (6%); Longmont, CO (4%); N0001920C0054; 30 Mar 2021
- common infrared countermeasures; W58RGZ-21-D-0028; 30 Apr 2021

Raytheon d.b.a. Collins Aerospace (Rockford, IL)

- repair the constant frequency generator used on V-22 aircraft; N00383-21-D-ZQ01; 1 Sep 2021
- remanufacture the B-2 and B-52 Common Strategic Rotary Launcher for 15 additional units; FA8118-18-C-0007; 30 Sep 2021

Minnesota

Northrop Grumman Alliant Techsystems Operations (Plymouth, MN)

- 120mm M865A1 cartridges for 120mm tank training ammunition; W52P1J-17-C-0025; 3 Dec 2020
- 120mm Advanced Multipurpose XM1147 high explosive multi-purpose with tracer cartridges → work in Plymouth, MN; Rocket Center, WV; Middletown, IA; Kingsport, TN; Faribault, MN; Forest Lake, MN; Towanda, PA; Cary, IL; Louisville, KY; Falconer, NY; Clear Lake, SD; Shafer, MN; Green Bay, WI; Waunakee, WI; and Coachella, CA; W15QKN-15-C-0066; 9 Dec 2020
- 120mm M1002 cartridges and 120mm M865A1 cartridges for 120 mm Tank Training Ammunition; W52P1J-17-C-0025; 30 Mar 2021

Largest U.S. War Corporations FY2021 _ Midwest

- engineering development, manufacturing, design and testing support that is interoperable with 20 mm, 25 mm, 30 mm x 113 mm, 30 mm x 173 mm, and 50 mm weapon systems; W15QKN-21-D-0023; 30 Mar 2021
- produce, deliver, and maintain 30x173 mm XM813 cannons; W56HZV-20-D-0108; 7 May 2021 via Army Contracting Command, Detroit Arsenal, MI
- Precision Guidance Kit, which turns 155mm artillery shells into “precision” weapons; W15QKN-13-C-0074; 24 May 2021
- XM914E1 30mm x 113mm chain guns, spares, training, and associated engineering services in support of Program Manager Ground-Based Air Defense — Marine Air Defense Integrated System Increment 1 program; M67854-21-D-0055; 3 Jun 2021

Honeywell (Minneapolis, MN)

- critical design review for Space Enterprise Technologies: experiments, evaluate, and perform process development back-end pillar fabrication process; FA9453-19-C-0010; 7 Oct 2020 via AFRL Kirtland AFB, NM
- engineering support (includes lab and flight data analysis, anomaly resolution, deficiency correction, flight test equipment development and integration, software modification & sustainment, qualification test support, training and technical support, and integration) of APN-194A radar altimeter modification; N6833521C0675; 16 Jul 2021

General Dynamics Mission System (Minneapolis, MN)

- upgrade Navy-owned Type 3 Advanced Mission Computers (AMC) with four general purpose processors (GPP) to create a Type 3 extra processor AMC; also upgrade all Warfare Management Computer A11 Cards with mission system computer equivalent GPP in support of the Advanced Mission Computer and Displays program; N0042120C0047; 22 Apr 2021

Iowa

Raytheon Technologies (Cedar Rapids, IA)

- Military GPS Users Equipment Miniature Serial Interface Increment 2 Application Specific Integrated Circuit (MGUE Inc 2 MSI ASIC): design, develop, build, integrate, qualify the MSI receiver card with next generation ASIC to enable production of M-Code-capable GPS receiver products → work in Cedar Rapids, IA; Anaheim, CA; El Segundo, CA; FA8807-21-C-0005; 6 Nov 2020 (with Raytheon El Segundo and L3Harris Interstate Electronics Corp. Anaheim)
 - o Space and Missile Systems Center (SMC), Los Angeles AFB, CA
- one 2F211 S/N 5 aircrew procedures trainer device, associated technical data, and proposal preparation for E-2D Hawkeye Integrated Training System program → work in Norfolk, VA; N61340-17-C-0014; 13 Nov 2020
- E-6B Mercury aircraft sustaining engineering support and diminishing manufacturing sources and material shortages management → work in Oklahoma City, OK (80%); Patuxent River, MD (10%); Bellevue, NE (10%); N00019-19-G-0031; 2 Dec 2020
- KC-135 Aero-I satellite communications replacement: identify, develop, integrate, and test a commercial off the shelf Iridium Satellite Communication system to replace the C/KC-135 International Marine/Maritime Satellite system → Cedar Rapids, IA; and Tinker AFB, OK; some optional FMS (Turkey and France); FA8105-21-D-0002; 26 Jan 2021
- life-cycle contractor support and hardware for the Common Avionics Architecture System, Cockpit Management System, Airborne Mission Network, Secure Real Time Video and Aircraft Management Systems; H92241-17-D-0004; 29 Jan 2021 via Special Operations Command (SOCOM), Tampa, FL
- Diminishing Manufacturing Sources Replacement of Avionics for Global Operations and Navigation (DRAGON), full-rate production, for the Airborne Warning and Control System (AWACS) E-3 aircraft, B-Kit items, installation and checkout spares items, and software & associated ancillary items, to be installed on 25 AWACS aircraft; FA8730-21-C-0027; 15 Mar 2021
- upgrade mission computer in E-6B Mercury aircraft from a 32-BIT to a 64-BIT Linux-based operating system, resulting in an increase to capability and reduced threat vulnerabilities → work in Richardson, TX; N0001919G0031; 25 Mar 2021
- aircrew Delta Software System Configuration Number 4 tactical baseline updates, integration, associated technical data and proposal preparation for the in-plant E-2D Hawkeye Tactics, Flight, and Distributed Readiness Trainer System Integration Lab trainers → Sterling, VA (80%); Norfolk, VA (20%); N6134017C0014; 30 Apr 2021
- ARN-153 Tactical Air Navigation receiver transmitters; SPRWA1-21-D-0008; 5 May 2021
- airborne subsystem pods; two remote range units; one common ground system; two site surveys; and one portable support equipment subsystem in support of Tactical Combat Training System II low rate initial production → Cedar Rapids, IA (55%); Fort Walton Beach, FL (38%); Richardson, TX (7%); N6134017C0007; 19 May 2021

Largest U.S. War Corporations FY2021 _ Midwest

- E-2D Hawkeye Integrated Training Systems IV weapons systems trainer, technical refreshes, and E-2D system software configuration (DSSC) concurrency updates to the distributed readiness trainers, technical refreshes and DSSC concurrency updates to the simulated maintenance trainers, power plant trainer, personal computer simulations, associated technical data for each device, maintenance, user, cyber security/software support training, and interim contractor support → Sterling, VA (65%); Binghamton, NY (20%); Tampa, FL (15%); N6134021C0017; 30 Jun 2021
- spare parts and aircraft common equipment for E-2D Hawkeye Integrated Training Systems flight, tactics, and maintenance devices in Norfolk, VA (77%); Iwakuni, Japan (20%); Point Mugu, CA (3%); N6134017C0014; 31 Aug 2021
- services and supplies for modernization, expansion and depot-level contractor logistic support for High Frequency Global Communications System → work in Richardson, TX; FA8102-16-D-0005; 30 Aug 2021
- radio receivers and radio sets to support Army helicopter tactical navigation and landing systems; SPRBL1-21-D-0013; 3 Sep 2021
- AN/ARC-210(v) radios for airborne, seaborne, and land based (mobile and fixed) platforms for Navy/USMC, Army, Coast Guard, other government agencies, and FMS; N0042118D0004; 15 Sep 2021
- planning, implementation and integration of specific and emerging technology solutions into the Common Avionics Architecture System Operational Flight Program Cockpit System on the CH-47F; W58RGZ-21-D-0067; 28 Sep 2021

Data Link Solutions (Cedar Rapids, IA)

This company is a joint venture of Raytheon and BAE Systems.

- electronic equipment cabinets, along with the associated program management, testing and logistics support to deliver the units; N00039-21-A-1001; 13 Jan 2021
- repair multiple items associated with multifunctional information distribution system (MIDS) for various aircraft → Wayne, NJ (68%); Cedar Rapids, IA (32%); N00383-21-D-X501; 30 Sep 2021

Raytheon, Delavan Inc., d.b.a. Collins Aerospace (West Des Moines, IA)

- T700 aircraft engine fuel injector assemblies¹; SPE4A721D0099; 2 Feb 2021

Missouri

Boeing (St. Louis, MO)

Boeing has large facilities in St. Charles, Hazelwood, and St. Louis, MO.

- KC-46 Commercial Common Program consumable parts; SPRPA1-14-D-002U; 7 Oct 2020
- radomes in support of the F/A-18 E-G aircraft; N00383-21-F-A30P N00383-17-G-A301; 30 Oct 2020
- FMS (Qatar): spares and contractor logistics support for F-15QA aircraft and logistical support for training devices → work in Al-Udeid Air Base, Qatar; FA8634-18-C-2701; 9 Nov 2020
- FMS (Qatar): Digital Electronic Warfare System spares for Qatar's F-15 program; FA8634-18-C-2701; 15 Dec 2020
- FMS (Saudi Arabia): modernization & sustainment of the Saudi F-15 fleet (efforts include hardware, software, and interface design, development, integration, test, subsystem and structural component production and installation of modifications and enhancements) as well as product support; Initial delivery order FA8634-21-F-0015; 10 Nov 2020
- logistics and engineering services on Harpoon/Standoff Land Attack Missile-Expanded Response (SLAM-ER) missile system and Harpoon Launch system for U.S. Navy and unnamed FMS → St. Charles, MO (92%); St. Louis, MO (5%); Yorktown, VA (3%); N00019-16-G-0001; 30 Nov 2020
- retrofit kits, support equipment, and special tooling for phase two of the T-45 Service Life Extension Program (SLEP); also provides retrofit engineering and logistics from the original equipment manufacturer to support the installation of associated technical directives; N00019-16-G-0001; 4 Dec 2020 via Naval Air Warfare Center, Training Systems Command, Orlando, FL
- FMS (New Zealand): P-8A training systems → work in St. Louis, MO (36%); Tampa, FL (23%); Long Island, NY (12%); Ohakea, New Zealand (10%); San Francisco, CA (8%); Huntington Beach, CA (5%); Seattle, WA (3%); Jacksonville, FL (3%); N00019-19-G-0002; 11 Dec 2020
- F-15 Eagle Passive Active Warning & Survivability System (EPAWSS) low rate initial production in San Antonio, TX; FA8634-21-C-2702; 14 Dec 2020, later corrected to be awarded 16 Dec 2020
- EPAWSS low-rate initial production (LRIP); adds government furnished property repair as well as acquisition of Group A and B kits, support equipment, mod line standup, technical orders and interim contractor support → San Antonio, TX; FA8634-21-C-2702; 31 Dec 2020
- EPAWSS engineering, manufacturing, and development; and initial operational, testing, and evaluation; FA8634-17-C-2650; 29 Mar 2021 (later corrected to be issued 1 Apr 2021)
- EPAWSS lot one initial spares hardware → Nashua, NH; FA8634-21-C-2702; 29 Mar 2021

¹ The T700 is a GE engine used on the Lockheed Martin UH-60 "Black Hawk" helicopter.

Largest U.S. War Corporations FY2021 _ Midwest

- EPAWSS low-rate initial production at Robins AFB, GA; FA8634-21-C-2702; 28 Sep 2021
- infrared search and track to upgrade the current Air Force design equivalent of the Navy Block II configuration; FA8634-18-C-2697; 15 Dec 2020
- consumable items supporting various aircraft for USA, Australia, Finland, France, Israel, Greece, Kuwait, Switzerland; SPRPA1-14-D-002U; 16 Dec 2020
- consumable and depot-level repairable parts for KC-46 tanker aircraft; SPRPA1-14-D-002U; 16 Dec 2020
- additional F/A-18 A-D and E-G aircraft integrated product support; SPRPA1-14-D-002U; 16 Dec 2020
- main and nose landing gear critical components retrofit kits for F/A-18A-D aircraft modifications; N00019-16-G-0001; 21 Dec 2020
- integration of a ground control station that provides command & control for MQ-25 drones for U.S. Navy; N00019-18-C-1012; 29 Dec 2020
- FMS (Saudi Arabia): convert Saudi Air Force F-15S into F-15SA aircraft; includes program management, reach-back support; temporary on-site for outside the U.S. assistance; round robin repairs; FA8575-21-F-0001; 4 Jan 2021
- FMS (Kuwait): integrated logistics support for 22 F/A-18E and six F/A-18F → St. Louis, MO (86%); San Diego, CA (8%); China Lake, CA (5%); Fort Walton, FL (1%); N00019-19-C-0033; 5 Jan 2021
- refurbished harpoon capsules and four All-Up Round encapsulated harpoon missiles for U.S. Navy → Burnley, UK (70.84%); St. Charles, MO (27.9%); Seattle, WA (1.16%); continental U.S. (0.1%); N00019-16-G-0001; 22 Jan 2021
- repair avionics equipment for F/A-18 aircraft and AV-8B aircraft → Lemoore, CA (99%); Philadelphia, PA (1%); N00383-18-G-AY01; 29 Jan 2021
- integrate, test, upgrade and field functional hardware and software improvements and cybersecurity controls, to the Longbow Crew Trainer Generation Four and Generation Five fleets; W58RGZ19F0045; 8 Feb 2021
- engineering for Next Generation Jammer software development; N00019-16-C-0032; 24 Feb 2021
- T-45 aircraft inlet modification retrofit kits (lots 3, 4); also includes associated support equipment, special tooling, logistics support, and original equipment manufacturer engineering for U.S. Navy; N0001921G0006; 6 May 2021
- automatic backup oxygen system retrofit kits for T-45 aircraft, to include installation tooling, engineering reach back, spares and support equipment → San Antonio, TX (80%); St. Louis, MO (20%); N6134020F0029 N0001916G0001; 20 May 2021
- FMS (Saudi Arabia): various material associated with 36 Stand-Off Land Attack Missile Expanded Response (SLAM ER) data link pods and containers for the SLAM ER obsolescence redesign → Indianapolis, IN (90%); St. Louis, MO (10%); N0001920C0003; 10 June 2021
- distributed targeting processor-networked (DTP-N) B-kits for anti-surface warfare capability in F/A-18E/F and EA-18G aircraft for U.S. Navy and Australia → Melbourne, FL (78%); St. Louis, MO (22%); N0001921C0001; 3 Jun 2021
- Primary Bleed Air Pressure Regulator (PBAR) and Shut Off Valve Delta Kit modifications; and PBAR valve kits for F/A-18 aircraft → work in Windsor, CT (80%); El Segundo, CA (12%); St. Louis, MO (8%); N0001916G0001; 10 Jun 2021
- F-15 Mission Training Center (MTC) simulation services for Air Force → St. Louis, MO; Kadena AB, Japan; Mountain Home AFB, ID; Nellis AFB, NV; RAF Lakenheath, U.K.; Seymour-Johnson AFB, NC; FA8621-21-C-0001; 28 Jun 2021
- F/A-18 aircraft spare parts; SPRPA1-14-D-002U; 30 Jun 2021, 16 Jul 2021
- upgrade P-8A Poseidon maintenance training device suite, to include virtual maintenance trainers and related courseware and hardware for U.S. Navy and Australia → Jacksonville, FL (60%); St. Louis, MO (15%); Seattle, WA (15%); Edinburgh, Australia (10%); order N6134021F0119, N6134019G0002; 19 Jul 2021
- design and production of Quickstrike Extended Range (QS-ER) non-functional glide kits, glide kit prototype articles, and glide kit shipping containers; N00024-21-C-6412; 20 Jul 2021
- production engineering in support of integration & installation of weapon systems on F/A-18 E/F and EA-18G aircraft for U.S. Navy → Patuxent River, MD (82%); St. Louis, MO (18%); N0001921G0006; 23 Jul 2021
- site security services, range modernization and operations, event planning and execution, and IT service management for the National Cyber Range Complex; W900KK-21-D-0008; 27 Jul 2021 (14 corporations total)
- F/A-18E/F and EA-18G trailing edge flap shipsets; N0001921G0006; 30 Jul 2021
- satellite communication retrofit kits for F-18 aircraft → El Segundo, CA (80%); St. Louis, MO (20%); N0001921G0006; 30 Jul 2021
- F/A-18 aircraft spare parts for U.S. Navy; SPRPA1-21-F-LB01; 12 Aug 2021
- F-15C and F-15E Mission Training Centers updates at Mountain Home AFB, ID; Seymour Johnson AFB, NC; Nellis AFB, NV; Kadena Air Base, Japan; and RAF Lakenheath, Suffolk, England; FA8621-21-C-0001; 18 Aug 2021
- Southern Cross Integrated Flight Research Experiment (SCIFIRE) Project Phase I Preliminary Design Review: mature a solid-rocket boosted, air-breathing, hypersonic conventional cruise missile, air-launched from existing fighter/bomber aircraft, through the completion of a preliminary design review; FA8682-21-C-0008; 1 Sep 2021 via Future Hypersonics, Eglin AFB, FL

Largest U.S. War Corporations FY2021 _ Midwest

- digital engineering and model based systems engineering, agile processes, open systems architecture, weapons and enterprise analytics for Eglin AFB, FL (Armament), and its partners; \$46B across 55 corporations; FA8656-21-D-A001; 3 Sep 2021
- Avionic Flow Valve Servo Air Supply Line kits (683 kits for U.S. Navy, 36 kits for Australia, 28 kits for Kuwait, and 10 validation/verification kits; also provides associated non-recurring engineering, logistics support, technical manuals, technical directives and deliverables for F/A-18 E/F and EA-18G upgrades → El Segundo, CA (80%); St. Louis, MO (20%); N0001921G0006; 3 Sep 2021
- cylinder and piston spares → work in Ontario, Canada (73%); St. Louis, MO (27%); delivery order N00383-21-F-A36W; 8 Sep 2021
- particular support equipment for EA-18G and F/A-18E/F return to readiness initiative.; N6833521F0429 N6833521G0020; 10 Sep 2021 via NAWCAD, Lakehurst, NJ
- B61-12 Tail Kit Assembly (TKA) surveillance and sustainment support: engineering services and technical expertise as needed across various disciplines; **includes FMS to NATO members that are to be determined**; 14 Sep 2021 via Air Force Nuclear Weapons Center, Kirtland AFB, NM (FA9422-21-D-0001)
- GBU-57 Massive Ordnance Penetrators, carriage and release equipment → Saint Charles, MO; FA8681-19-D-0008; 16 Sep 2021
- production and engineering support (includes obsolescence redesign, integration and qualification testing, and production and deployment support as well as consumables, travel, and the production of the data co-processor circuit card assemblies) for USA \$10,377,110 (36.92%); FMS [Canada (\$8,377,596; 29.80%); Taiwan (\$4,603,051; 16.38%); the Netherlands (\$2,851,755; 10.15%); South Korea (\$503,785; 1.79%); Spain (\$416,435; 1.48%); Belgium (\$360,160; 1.28%); Denmark (\$258,865; 0.92%); Norway (\$157,570; 0.56%); New Zealand (\$146,315; 0.52%); India (\$56,275; 0.20%)] → work in Pleasanton, CA (40 min by car north of San Jose); 20 Sep 2021
- KC-135 rudder booms → work in USA (MO and CA) and Canada; SPE4A1-19-G-0013; 24 Sep 2021
- updates to F-15 mission training center (MTC) training systems “to achieve service objectives associated with implementation of F-15C/E Aircraft Mission Package-20” → work at Mountain Home AFB, ID; Seymour Johnson AFB, NC; Nellis AFB, NV; RAF Lakenheath, UK; and Kadena Air Base, Japan; FA8621-21-C-0001; 27 Sep 2021
- circuit cards for F-15 AN/ASQ-195 Signal Data Converter Set → work in MO and AL; SPRPA1-14-D-002U; 27 Sep 2021
- Precision Laser Guidance Sets for the Laser Joint Direct Attack Munition (JDAM) program for USA (Navy, Air Force) and FMS → work in Fort Worth, TX (68.23%); Cincinnati, OH (10.1%); St. Louis, MO (9.38%); Odessa, MO (4.37%); Simpsonville, SC (4.03%); Minneapolis, MN (1.68%); locations within continental U.S. (2.21%); N0001916D1002; 28 Sep 2021
- non-recurring engineering for configuration efforts for the Harpoon Coastal Defense System (HCDS) for Taiwan → McKinney, TX (19.1%); Sioux Falls, South Dakota (9.6%); Pontiac, MI (7.8%); Middletown, CT (7.6%); Elkton, MD (3.1%); St. Louis, MO (2.2%); Grove, OK (2.1%); Galena, KS (1.7%); Saint Charles, MO (1.5%); Huntsville, AL (1%); various locations within the continental U.S. (44.23%); various locations outside the continental U.S. (0.07%); N0001921F0886 N0001921G0006; 28 Sep 2021
- vertical replacements in support of the F-15 program; SPRPA1-14-D-002U; 28 Sep 2021
- contractor furnished equipment for aircraft armament (such as pylons for bomb racks and missile launchers) with associated fittings, adaptors and mounting retainers, station controls units, air and fuel probes with suspension lugs, chaff dispenser units, feed through plates, and well covers in support of 18 F/A-18E/F aircraft for production lot 42A → work in Mesa, AZ (54%); Clearwater, FL (24%); El Segundo, CA (8%); Forest, MS (5%); St. Louis, MO (4%); Minneapolis, MN (3%); Oceanside, CA (1%); Irvine, CA (1%); N0001917C0003; 29 Sep 2021
- integration of the Cockpit Pressure and On-Board Oxygen Generating Monitoring System onto new F/A-18E/F aircraft; also adds scope for procurement of aircraft armament equipment (AAE) for production & delivery of 78 F/A-18E/F aircraft and various miscellaneous AAE hardware, as well as non-recurring engineering for new tooling, refurbishment and replacement of broken down tools and technical documents → Mesa, AZ (49%); Clearwater, FL (21%); St. Louis, MO (14%); El Segundo, CA (7%); Forest, MS (4%); Minneapolis, MN (3%); Oceanside, CA (1%); Irvine, CA (1%); N0001918C1046; 30 Sep 2021
- upgrade six T-45C Goshawk operational flight trainers (OFT), including trainer-to-aircraft radar concurrency modifications, adding the ability for the OFT to link with another OFT, and adding local network storage capability for debrief systems; also updates technical documentation and instructor, operator and maintenance training → work in Pensacola, FL (75%); St. Louis, MO (25%); N6134021C0039; 30 Sep 2021
- contractor field service representatives support and for de-population and population support for Spain’s CH-47; W58RGZ-21-D-0095; 30 Sep 2021

Largest U.S. War Corporations FY2021 _ Midwest

Boeing (Hazelwood, MO)

Hazelwood is northwest of St. Louis.

- Advanced Turbine Technology for Affordable Mission-Capability (ATTAM): develop, demonstrate, and transition advanced turbine propulsion, power and thermal technologies that provide a disruptive improvement in affordable mission capability; FA8650-19-D-2055; 19 May 2021 via AFRL, Wright-Patterson AFB, OH

General Dynamics OTS (Carthage, MO)

- 155 mm propelling charges; W52P1J-18-C-0051; 30 Mar 2021

Kansas

Textron Aviation (Wichita, KS)

- FMS (Panamá): King Air 250 aircraft; W58RGZ-21-C-0004; 11 Dec 2020
- FMS (Iraq): Iraq Air Force Peace Dragon Program; FA8620-17-C-3011; 17 Mar 2021
- FMS (Iraq): support and sustainment (field service representatives, program management, core/field engineering and repair-and-return) of the Iraq Peace Dragon Program in Wichita, KS, and Martyr Mohammed Ali AB, Iraq; FA8620-17-C-3011; 29 Jun 2021, 30 Jun 2021, 30 Sep 2021
- T-6 sustainment; FA8106-20-D-0001; 9 Apr 2021 via AFLCMC, Tinker AFB, OK
- FMS (Tunisia): T-6C long lead items procurement and site survey to support delivery of eight T-6Cs in 2022; FA8617-21-C-6235; 11 Jun 2021
