

Consulting (and some office work) FY2021

There is no reason (aside from the overall bloat of the U.S. military establishment and the rapacity of U.S. corporations) that military officers and their staff couldn't do the following work.

Boston Consulting Group (Bethesda, MD)

- programs and resources support for Marine Corps organizational requirements, resourcing, risk and reporting requirements (similar to a 10-K) → work at the Mark Center, Alexandria, VA; HQ0034-16-A-0003; 11 Jan 2021 via Washington Headquarters Services
- the Naval Sustainment System – Shipyard Initiative to improve overall shipyard performance by increasing throughput, reducing ship maintenance costs and shortened durations for ship maintenance availabilities to ultimately increase operational availability and deliver readiness to the fleet commanders; requires BCG Federal Corp. to uncover and design solutions for issues in five major functional areas that drive delays in maintenance availabilities in all four public naval shipyards → Norfolk Naval Shipyard, Portsmouth, VA (25%); Portsmouth Naval Shipyard, Portsmouth, NH (25%); Puget Sound Naval Shipyard and Intermediate Maintenance Facility, Bremerton, WA (25%); Pearl Harbor Naval Shipyard, and Intermediate Maintenance Facility, Joint Base Pearl Harbor-Hickam, Hawaii (25%); N00024-20-D-2431; 17 Feb 2021 via NAVSEA, D.C.
- obtain strategic contractor services to assist with transformation efforts that include Naval Sustainment System – supply, perform to plan logistics, supply chain and logistics technology, and enterprise transformations in support of NAVSUP and the Department of the Navy; N00189-21-D-0021; 30 Jul 2021 (w McKinsey and Grant Thornton)

Deloitte & Touche LLP (Arlington, VA)

- Solutions for Information Technology Enterprise (SITE III) vehicle: “address the evolving needs vital to the security of the U.S. and facilitates worldwide coverage for integrated information technology intelligence requirements and technical support services” to DIA and NGA → work at contractor facilities and at government facilities in multiple locations in the continental U.S. and overseas; HHM402-21-D-0003 through -0146; 2 Mar 2021 (up to \$12.6B) via Virginia Contracting Activity, D.C.
- contractor support of strategic assessment and planning; manpower assessment; planning and programming analysis support; financial program management; manpower, personnel, training and education program and policy assessment and management; and quantitative analysis, forecasting, performance assessment, and research, development, test and evaluation program management support in support of the Deputy Chief of Naval Operations (DCNO) Manpower, Personnel, Training & Education domain comprised of the DCNO, the Bureau of Naval Personnel, Navy Personnel Command, the Navy Manpower Analysis Center, Commander Naval Education and Training, and Commander Navy Recruiting Command → work in Millington, TN (50%); Arlington, VA (30%); Pensacola, FL (10%); locations throughout the continental U.S. (8%); contractor facilities (2%); five corporations total (N00189-18-D-Z042 through N00189-18-D-Z046); 28 May 2021
